THIS PRESENTATION IS DEDICATED TO A LADY IN MY LIFE

- Whom I love so much that I call her “my love”.
- Who is so happy & sweet that she is my “sweet heart”.
- Seeing her or her photo in the morning makes my day.
- She loves me so much that she has promised me that my birthday will be celebrated for decades and decades after I depart this world.
- But on one fixed day, every year without fail, we fight/argue for one dear thing. We both claim and say “it is mine”.
- But we love each other so much that we then say, “OK, it is yours” and finally we hug and say, “it is ours”.

THIS PRESENTATION IS DEDICATED TO A LADY

- I say: “It is my birthday”!; And She says “No grandpa, it is my birthday”! ; we then say to each other “OK, it your birthday” and finally we say “It is our very special happy birthday”.
- She is my granddaughter, Jasmin.

  We have the same birth date.
- **This presentation is dedicated to my brilliant, very creative little love and a huge bundle of joy, Jasmin.**
