Dear Dr. Patel

RADTriage is RADfit in Japan

On behalf of Mr. Fukushima, I report the matter about the complains received on RADfit so far.

The number of complains that we received was only three cases and the contents of all three complains were the same.

"Though I just purchased it, FIT indicator has already changed color in dark gray."

1. 2011.Nov.04
2. 2011.Nov.22
3. 2011.Dec.15

The amount that we sold by this point in time was approximately 50,000 pieces.

A real field test

We hope that this information will be helpful for you.

By the way, when we visited you the other day, you said that you would have meeting with a person of Canberra, but how did the result of it turn out
If you do not mind, please let us know about it.

Best Regards,

Masashi Matsumoto
